STROUD VALLEYS, GLOUCESTERSHIRE
Open Studios

82 artists open their studio doors in 43 locations in the Stroud Valleys over 2 weekends

Saturday 16th - Sunday 17th May, 11am - 6pm
Welcome

A warm welcome to Open Studios 2015

For the last nineteen years Stroud Valleys Artspace working from John Street has made it possible for the public to visit many artists in Stroud and the Valleys.

You may see all kinds of visual art – sculpture, paintings, drawings and ceramics - and there will be much that is interesting, innovative and first rate.

Travel around and enjoy the fun and excitement of finding us and being welcomed into our homes, studios and places of work with each artist offering their own particular interpretations of how they see and feel about the world.

We will have the chance to share time with you and, as a painter this opportunity has been, I believe, rewarding for artists and visitors.

Enough said! Do come and use this directory to find us in Stroud Town, Slad and Painswick valleys, Nailsworth, the Golden Valley, Bisley and in Valley and Vale.

JOHN POOLE

Gilders and frame-makers

For 30 years we have been serving artists, galleries, dealers and collectors nationwide, from our workshop in the Stroud valleys.

We love art and know how important it is to preserve and present your artwork in the best possible way. Our frames are made to the highest ‘museum-standard’ of conservation and each job is carefully considered to ensure that the frame is perfectly appropriate.

As well as hand-finished frames, we provide a range of other services to the art world such as collection management, conservation and restoration. We also work with leading cabinet makers, interior designers and conservators, applying beautiful finishes to furniture, objects and interiors.

Open Monday–Friday, by appointment.

To make an appointment please call the workshop on 01452 812935 or email oliver@johnpooleworkshop.com
